Roboteq, Inc. and REACH  
(Registration, Evaluation, Authorization and Restriction of Chemicals)

REACH is a European regulation regarding chemicals and their safe use (EC 1907/2006).  
Roboteq, Inc. is compliant with REACH requirements.

Products manufactured by Roboteq, Inc. are "Articles" as defined by in REACH, Article 3(3). Under REACH, "Article" suppliers must provide recipients with information on Substances of Very High Concern (SVHC) if those substances are present above a concentration limit of 0.1% on an article level.

Roboteq, Inc. has reviewed the requirements under REACH and has determined the following:

- At this time Roboteq, Inc. has no knowledge that our products contain any of the SVHCs which need to be pre-registered
- Reach does not have an impact on Roboteq, Inc. as REACH is meant to address raw materials/chemicals and not necessarily end products.
- Roboteq, Inc. products meet the definition of "Article" under REACH
- Registration of substances in Articles is not required under REACH for the below reasons:
  1. The substances present in Roboteq products do not exceed the limit of one ton per producer or importer per year.
  2. The substances present in Roboteq products are not intended to be released under normal or reasonably foreseeable condition of use.
  3. The substances present in Roboteq, Inc. products do not exceed a concentration of 0.1% weight by weight (w/w)

Roboteq, Inc. is largely dependent upon the supply chain for relevant chemical composition information, but the above information is to the best of our knowledge accurate. Roboteq, Inc. will continue to monitor the supply chain for continual compliance with the REACH directive and report to the competent authorities of any significant change may occurs.

Roboteq, Inc. relies on attestations made by third party suppliers which Roboteq, Inc. assumes to be truthful and complete. Roboteq, Inc. believes the information above to be true and accurate as of the date of this statement. Nevertheless Roboteq, Inc. cannot assume any liability in consequence of the accuracy of said attestations and this statement is provided for informational purposes only and is not intended to create legal obligations between Roboteq, Inc. and other parties.
